"I can't tell you how much I enjoyed our visit last week," Dave said, "I found the students, staff, and the facility itself invigorating."

After taking a tour of the Hanover campus, Dave was joined for lunch by Cushing students enrolled at Project Forward, to whom he presented Cape Cod Community College T-shirts. He shared stories of his most memorable interviews—Barack Obama among them—and his exposure to varied people of note, from Pope Benedict XVI to hip hop artist Jay-Z.
